

Coastal Mechanics — Project Summary

Generated: 30 March 2026 | thecoastalmechanics.online | Shehan Fernando

1. What Was Built

Initial Build

- Single-page website (`index.html`) built from scratch for Shehan Fernando's mobile mechanic business
- Brand: Coastal Mechanics — mobile mechanic servicing Busselton, Dunsborough, Yallingup, Margaret River, Bunbury, South West WA
- Specialises in Japanese & European vehicles

Sections on the Site

- Nav bar with Book Now CTA
- Hero section — logo, tagline, Call/View Services buttons, \$150 flat rate promo card
- Marquee strip
- Services section with pricing cards
- Gallery / bento grid
- About section
- Why Choose Us
- Reviews
- Coverage area map
- Contact section with enquiry form
- Footer

- Floating action bar (Call + SMS buttons)

Design

- Custom brand colors — orange (#ff5e00) on dark steel/charcoal
- Fonts: Bebas Neue (headings), Barlow Condensed, Space Grotesk
- Mobile-first responsive layout
- Animated hero with WebGL shader background
- Reveal scroll animations
- Layered shadows, grain texture, depth system

2. Fixes & Updates Made

What	Details
Logo added	Circular Coastal Mechanics logo added to nav, hero, footer
Hero layout	Full-width desktop layout, responsive breakpoints fixed
Hero brightness	Background image brightness corrected
Phone number	Updated to +61 416 403 470 site-wide
Email added	shehanf@thecoastalmechanics.online added to contact section
Contact form	Connected to Formspree (mojpdddd) — submissions emailed to business address
Promo card	Redesigned with gradient, pulsing glow animation, Book Now button

Hero text	Brightened to full white with strong text shadows
